

DESCRIPTION:

The Model 362 was simply a variation of earlier Quick-Lite table lamps.

\* Distinguishing features were the 7 3/4 inch frosted globe (No. 062) and globe fitter assembly (No. 462).

The parchment shade (No. 054) was offered as an accessory item. Decorations were black and gold.

The lamp base (fount) was brass with nickel plating. The handle was the conventional black fibre.

Retail price, less parchment shade: \$5.95
