

Lamp with Beautiful Artistic Shade

F 102. Perhaps you'll prefer this Sunshine Lamp with the beautiful, artistic shade. It's the same identical lamp as the lamp shown as described inside . . . but has a far more attractive, as well as a much more expensive, shade. Same low operation cost. Same 200 candlepower of soft, white, brilliant, eye-resting light. Same safety and dependability. Same easy-lighting with a match. Costs a little more.

F 102

F 103

Lamp with Gorgeous Tinted Shade

F 103. This is the regular Sunshine Lamp, F 101, described inside . . . made ultra-beautiful with a gorgeous, tinted shade. Produces the same soft, white, brilliant eye-resting light . . . but adds a much more pleasing color effect to any room. There is nothing like this wonderful lamp on the market for combined good light and attractiveness. Shade comes in mellow Alice Blue, rich Ivory Creme, mysterious Oriental Brown or Snowy White.

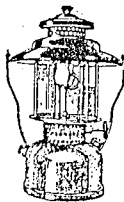

Beautiful Tinted Shade

You have to see this ultra-beautiful tinted shade on a lighted lamp to really appreciate its gorgeous splendor. Same as on Sunshine Lamp F 103 above. Fits any standard make gasoline lamp. Choice of mellow Alice Blue, rich Ivory Creme, mysterious Oriental Brown or pure Snowy White. 901, Alice Blue; 902, Oriental Brown; 903, Ivory Creme; 904, Snowy White.

No. 901

Wide Top Lantern with Built-in Pump

F 143

F 143. Same as F 124 illustrated and described inside . . . but equipped with built-in pump and new, wide-top, green, vitreous porcelain enamel reflector, which throws the light where needed and increases its brilliancy.

Poultry Lantern, F 143P . . . Light your poultry house a few hours each night and morning during Fall and Winter with the Sunshine Poultry Lantern. Longer feeding hours increase egg production. Same as F 143 above, but has dust eliminating screen.
