Attention of Mr. W.C. Coleman

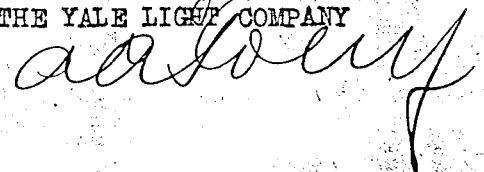

Gentlemen:

Under another cover we are sending merchandise inventory figures. Attached hereto please find statement of condition of The Yale Light Company as of Dec. 31st, 1920.

This statement gives figures which we are quite sure are correct especially regarding larger items. The auditors are now checking up our business and of course there may be some errors, deductions or additions. We are quite sure that there is very little to be added or subtracted from the total. The merchandise account has been verified by the auditors - the rest has not.
